Microsoft 365 Copilot Starter Kit

$5,000+ USD / $7,000+ CAD

SMBs (maximum 300 employees)

2 Months

Everyone is experimenting with AI. Are you? If so, are you seeing successful adoption? Let us help!
The success of our Starter Kit is measured by your champions' full adoption of Microsoft 365 Copilot within 2 months.

Engagement Outcomes

User-centric champion empowerment

Copilot champion adoption within 2 months

AI roadmap via executive enablement sessions

How It Works

STEP 1.

Decide how many Copilot licenses you want to start with. **Minimum of 5 is strongly recommended.** Already purchased licenses? No problem. You can skip this step.

STEP 2.

A dedicated senior consultant will be assigned to co-author a roadmap that is aligned with your business strategy.

STEP 3.

Ensure successful adoption of Copilot by working with a Prosci certified change management and adoption specialist.
