Microsoft Dynamics Great Plains to Business Central

Migration Package

PROSERVEIT
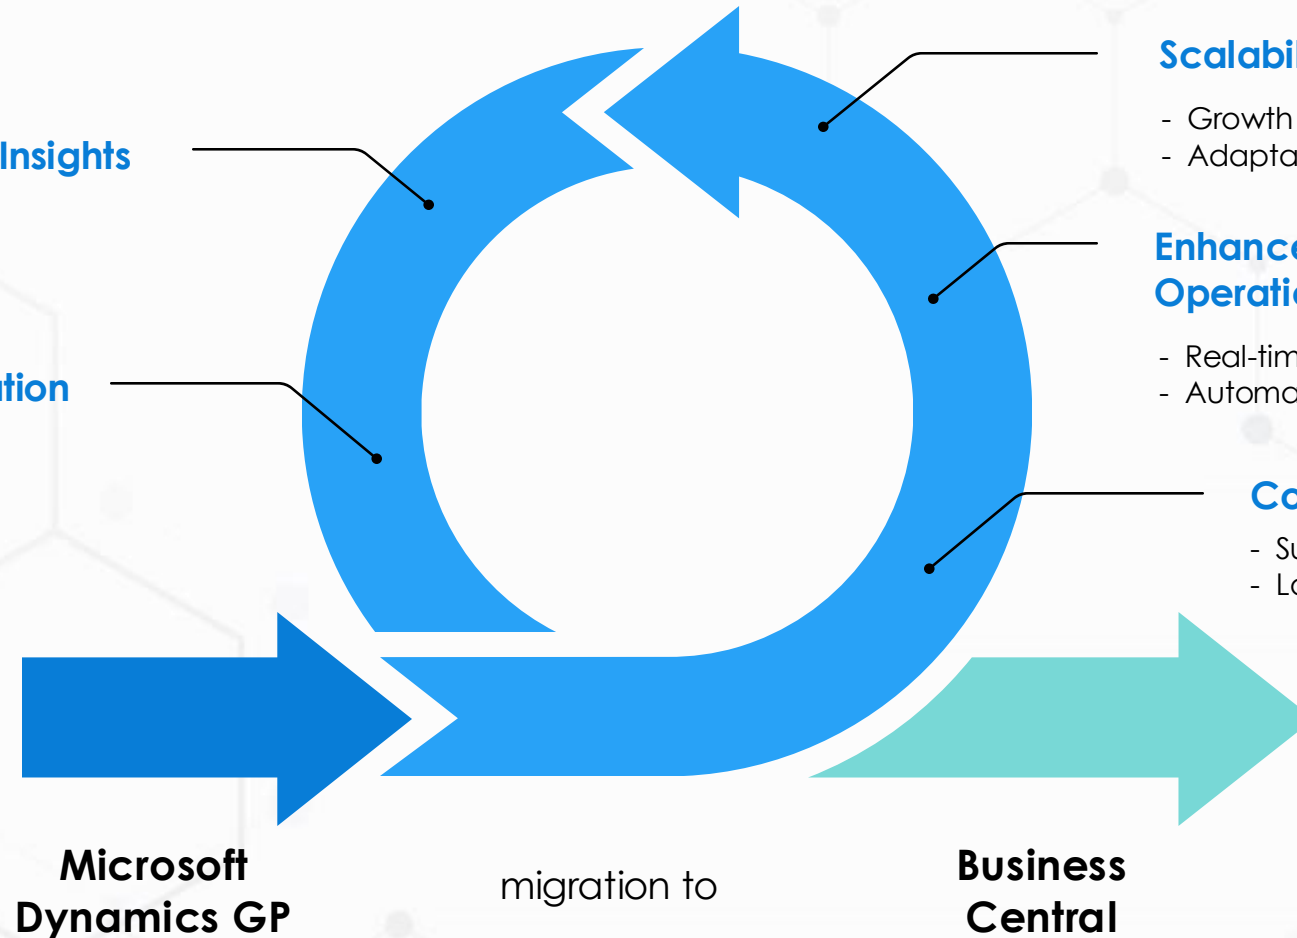

Why Now is a Good Time for the Migration

End of Support for Dynamics GP

Microsoft will end support for older Dynamics GP versions by **2029**.

Migrating now keeps you updated and secure, avoiding security risks and inefficiencies.

Year-End Planning

End of year is **ideal for planning and budgeting**.

Migrating now aligns your new system with your financial year for budgeting, forecasting, & goal setting.

Scalability Needs

Switch to Business Central for **better scalability as your business grows** and outgrows Dynamics GP.

It offers robust options to **expand seamlessly** with your business.

Cloud Benefits

Business Central is a **cloud-based solution**, offering numerous benefits.

Migrating now **leverages these advantages to modernize your IT infrastructure**.

Enhanced Integration

Business Central offers **superior integration** with Microsoft products & third-party apps.

It **streamlines operations & boosts productivity**.

PROSERVEIT

3 Phase Migration Package

Phase 1.
Discovery & Analysis

4-6 weeks

Knowing where to start is critically important to ensure ROI.

Phase 2.
Implementation

12-16 weeks

Now we know our starting point. Let's level up!

Phase 3.
Go-Live & Support

Ongoing

Your business continues to evolve. Your practices should too.

PROSERVEIT

Discovery & Analysis: Microsoft Dynamics GP to Business Central Migration

Review business processes, assess data, evaluate infrastructure, design solutions, and analyze ROI to optimize operations and demonstrate financial benefits.

$8,000+ USD   SMBs & Enterprise   4-6 weeks

Deliverables
